

Train as a Domestic Energy Assessor with Elmhurst Energy Systems

The Qualification:

Elmhurst Energy is an approved ABBE assessment centre and offers the [ABBE Level 3 Certificate in Domestic Energy Assessment \(QCF\)](#) as part of its energy rating portfolio. As part of the joint venture between NECIEC and Elmhurst, the course is being offered at a discounted rate for NICEIC members.

DEA Qualification Content:

- Structured professional interview
- 3 day classroom based training course
- Work at home study pack (with 21 question, multiple-choice questionnaire)
- Evidence portfolio (inc. 5 EPC test cases & associated evidence)
- On line multiple-choice examination
- ABBE registration
- Technical assistance from the Elmhurst Support Team during training
- 12 month 'training access' to the Elmhurst RdSAP software

DEA Qualification Costs:

Qualification Components

| | <u>NICEIC Cost</u> |
|---|------------------------------------|
| Training, portfolio and test cases | £871.20 +VAT |
| ABBE registration/exam fee (including re-sit of needed) | £290.00 +VAT |
| TOTAL | £1393.44 (inclusive of VAT) |

DEA Top-Up Training and Exam:

New legislation for the energy rating industry states that as of 1st April 2012, all accredited DEAs must undertake a 'top-up' exam to coincide with software updates. Elmhurst Energy is offering all NICEIC members access to its online top-up reading material. Classroom based training will also be offered **FREE** to all NICEIC members*.

The top-up exam cost is **£80 inc VAT**.

How do I Register my place on the DEA Qualification?

[Please click here to access the ABBE Level 3 Certificate in Domestic Energy Assessment \(QCF\) Application Form](#)

Full details on how to register and make payment for the qualification are located within the application form.

What do I do next?

Once qualified, individuals must become accredited in order to lodge EPCs, it is also a requirement to be a fully accredited DEA in order to commence Green Deal Training. Elmhurst is a Government approved Accreditation body and offer **FREE** accreditation to all individuals that are qualified. For further details on what the Elmhurst Accreditation has to offer, please [click here to visit the website](#)

Should you have any further enquiries regarding the DEA qualification or DEA accreditation please contact the Elmhurst Support Team on **01455 883 257** or email dea-support@elmhurstenergy.co.uk

*Upon accreditation please contact Elmhurst Energy to obtain your top-up reading material, book your place on the classroom training and select a date for your top-up exam.
