AP33- PART L1 AND SAP 2009 WORKSHOPS APPLICATION FORM

WHAT DO THE CHANGES MEAN FOR NEW BUILD HOUSING?

Changes to Part L1 of the Building Regulations were published in April 2010 and will come into force in October of this year in England and Wales. Part L covers 'Conservation of Fuel and Power' and applies to new buildings and certain types of work in existing buildings. The revision is in response to the European EPBD (Energy Performance in Buildings Directive) and goes some way to meet the Government's plans for zero carbon homes.

Elmhurst, as the leading provider of SAP Software and Accreditation, is supporting the industry in preparing for the changes through a series of detailed workshops. These will provide delegates with an in depth understanding of how to implement the changes in regulations for new build dwellings.

Who should attend?

The workshops are specifically designed for professionals in the construction industry who are interested in understanding the changes and how they apply to new build dwellings including Building Control Officers, On Construction Domestic Energy Assessors and users of the Elmhurst SAP software.

Workshop Content:

- Background to the UK Building Regulations changes
- Overview of L1 A (new dwellings) and the main changes
- Overview of SAP 2009 showing how it differs from SAP 2005
- Demonstrate SAP 2009 implementation using Elmhurst demonstration software
- What does a 2010 Part L house look like – Review of case studies
- Overview of L1 B (extensions and conversions)
- The revised guide to Domestic Services Compliance

Following the workshop all delegates will receive their own online access to the Elmhurst demonstration 2009 software.

Workshop Prices: 1 Day Event

Attendance is offered to LABC members at **£95.00*** (including lunch).

Workshop Dates:

The workshops will be run from our Training Centre in Lutterworth from early July 2010 and there will be regional workshops in July, August and September at Manchester, Bristol and Sevenoaks. Dates can be found on the booking form on the next page.

Booking and Further Information:

Please return the attached application form with payment to book your place(s). A confirmation letter and receipt will then be sent to you within 5 working days, together with a map and directions for the venue.
